

**Soo Young Cho, Ph.D.**

Position: Associate professor  
 Department: Dept. of Molecular & Life Science  
 Affiliation: Hanyang University  
 Office:  
 E-mail: sooycho@hanyang.ac.kr  
 Homepage: <https://sites.google.com/view/bcblab>

**Education**

|                 |       |                    |
|-----------------|-------|--------------------|
| 1995.03-2003.02 | B.s.  | Hanyang University |
| 2003.03~2005.02 | M.S.  | Hanyang University |
| 2005.03-2008.08 | Ph.D. | Hanyang University |

**Professional Experience**

|                 |                                     |                           |
|-----------------|-------------------------------------|---------------------------|
| 2010.01-2011.02 | Postdoc                             | Ewha Womans University    |
| 2011.03~2012.11 | Research professor                  | Ewha Womans University    |
| 2013.05~2014.12 | Researcher                          | MRC Harwell               |
| 2015.02~2016.12 | Research professor                  | Seoul National University |
| 2016.12~2021.09 | Senior Scientist                    | National Cancer Center    |
| 2020.03~2021.02 | Chief, Bioinformatics analysis Team | National Cancer Center    |
| 2021.08~present | Associate professor                 | Hanyang University        |

**Academic Society**

|                 |                  |                        |
|-----------------|------------------|------------------------|
| 2019.01-present | Associate Editor | Genomics & Informatics |
|-----------------|------------------|------------------------|
